25X11. Only one biplane was at the WITSTOCK (W 54/U 11) airfield. Most of the field billets were occupied by Soviet Infantry troops. The hangars were allegedly filled with infantry equipment.

25X12. [Redacted]

25X1 [Redacted] Comment:

25X1 According to other reports it is assumed that the fighter regiment previously stationed in WITSTOCK was transferred to LAERZ. The information on the occupation of the field kasernes by army units is received for the first time. [Redacted] an air force unit, probably an administration unit, is apparently still stationed in WITSTOCK.
